

Examination Feedback for EEE442/6420 – RF & Optical Communications  
Autumn Semester 2009-10

**Feedback for EEE442/6420 Session: 2009-2010**

**Feedback:** Please write simple statements about how well students addressed the exam paper in general and each individual question in particular including common problems/mistakes and areas of concern in the boxes provided below. Increase row height if necessary.

**General Comments:**

The examination paper was well answered by both MEng and MSc students. There were no particular weaknesses either in satellite systems or optical communications.

**Question 1:**

Question dealt with the satellite link and most students were able to solve the problem.

**Question 2:**

Descriptive question well answered. Students showed a good level of knowledge of the satellite system.

**Question 3:**

Optical fibres and links examined here. Both sections well answered.

**Question 4:**

A section of the syllabus not examined recently on optical buses but overall students did well. Often they don't like new topics.
