Department of Electronic and Electrical Engineering

M.Sc. in Electronic Engineering Semester 1 Questionnaire 2010/2011

Dear Student,

It is an important part of our quality control that you complete this questionnaire and return it to the Departmental Office as soon as possible.

Without your individual feedback and a good response rate from the year, we have no systematic way of quantifying the overall quality of the lectures, coursework and general support and services we aim to provide. Your replies will be totally anonymous (please remove this cover sheet before you submit your replies), and hopefully the questionnaire will take less than 30 minutes of your time to complete. Please refer to the MSc. in Electronic Engineering student handbook for course aims.

Many thanks for your co-operation.

Dr. Chee Hing Tan

PLEASE RETURN YOUR COMPLETED QUESTIONNAIRE TO THE DEPARTMENTAL OFFICE (ROOM E133) BY THE END OF WEEK 12.
